Living the Magnificent Mystery . . . Choosing Life

Pastor Chuck Cervenka

January 31-February 1, 2009

Romans 6:23

For the wages of sin is death, but the gift of God is eternal life in Christ Jesus our Lord.

Choosing life allows us to really live.

*The semblance of life is not really life. It is the appearance of life in a dead body.
Yet most choose to live in the appearance of life and miss out on really living.*

1) You are making a choice

Are you aware of the choice you are making? Do you see it as a choice between life and death?

2) The choice is continually made

Do you see your every decision as a choice between life and death?

3) The choice made reveals the heart

Who or what have you set apart in your heart as your lord-your king? How does that affect your decision making?
