ANCHORS FOR THE SOUL

PASTOR CHUCK CERVENKA

BUILT ON THE ROCK -- MATTHEW 7:24-27

Memory Verse for the week: 2 Samuel 22:2b-3a

The LORD is my rock, my fortress and my deliverer; my God is my rock,
in whom I take refuge...

A life without a good foundation will crumble in the storm.

Storms come into every person's life. Some hide it very well, but the truth is that very few have found the foundation that will allow their house to withstand the storms of life.

1) We all build houses to withstand the storms

Your house is that place where you feel safe-built from the materials you think are strongest.
These are your anchors.

What "materials" have you used to build your house? What are your anchors?

2) The storms will come

Matthew 6:34 *Each day has enough trouble of its own.*

John 16:33 *In this world you will have trouble.*

1 Peter 4:12 *Do not be surprised at the painful trial you are suffering...*

How do you feel about the storms in your life? Do you understand the source?

3) The foundation determines the strength of the house--and the mindset of the builder.

It is what you are anchored in.

What is the foundation of the house you have built? Are you wise or foolish?

A life without a good foundation will crumble in the storm.
