- Don says God is mobilizing people into ministry. Three applications are being processed for German ministries and three applications for Muslim ministries in GEM so far. More are expected to come from the 529 people who registered at the GEM booth as follow-up continues.
- Pray for GEM as they process these applications as well as responding to the 10,000 that responded from 28 different countries to the webinar they had on January 28th on line.
- Pray for Don as he continues to get speaking engagements. Cynthia still teaches, and works with two ministries, SHARE and INTERACTION. The later deals with missionary kids with cultural issues.

NEWS, EVENTS AND OPPORTUNITIES

THANK YOU NOTES

A thank you note has been put on the bulletin board outside the church office from Jerome Pierce.

AND... On behalf of the Army of One we would like to say a HUGE THANKS for all your help with this year's SUPER BOWL EVENT. We were so blessed to have you on board and praise God for every minute and ounce of energy you poured into making a difference in the lives of teens. There is no way we could have ministered to over 200 teens like we did without your help! We pray that God will continue to reach those teens who came and continue to richly bless each of you.

To God be the glory and thanks again,
Dave Cousens and Tess Cervenka
